

Fonda Speedway 2020 Limited Sportsman Specifications

The Limited Sportsman division at Fonda Speedway will follow the 2020 DIRTcar Sportsman rule book with the following exceptions:

- 1) **Weight** – minimum 2,400 lbs., taken post-race, with driver, track scale pounds
- 2) **Fuel** – Sunoco Race Fuels 110 or Can-Am Crate Fuel is the preferred fuel of the speedway. *No oxygenated fuel.*
- 3) **Tires** –
Right-Rear: American Racer SD 50 compound ONLY
Left-Rear: American Racer SD 48 compound ONLY
Right-Front: American Racer SD 48 compound ONLY
Left-Front: Any American Racer Modified tire
- 4) **Fire Suppression Bottle** – ***Not mandatory at Fonda Speedway*** – no weight break for teams utilizing this option.

Eligibility Requirements:

- 1) Drivers who have won a Limited Sportsman championship are not eligible to compete in this division.
- 2) Drivers who have raced full-time in a regular Sportsman division during the past three (3) years may not be eligible to compete in this division (*track discretion applies*).
