

Fonda Speedway 2022 Pro Stock Specifications

The Pro Stock division at Fonda Speedway will follow the 2022 DIRTcar rule book with the following exceptions:

- 1) **Engines** – DIRTcar seal not required – open to all unaltered/stock GM Crate 602 engines
- 2) **Tires** – All four corners of the car must utilize the following: American Racer 28.5/11.0-15DT FS 50
- 3) **Fuel** – Sunoco Race Fuels 110, Sunoco 98 or Can-Am Crate Fuel is the preferred fuel of the speedway. *No oxygenated fuel.*
- 4) **Fire Suppression Bottle** – ***Not mandatory at Fonda Speedway*** – no weight break for teams utilizing this option
- 5) **Open Engine Option** – 3,200 lbs. – 6,000 RPM rev chip – specs *per prior DIRTcar Pro Stock rules, subject to adjustment by Fonda Speedway tech officials at any time.*
