

Earlier today, Race Tires of America Inc., parent company of American Racer, announced its production of dirt Modified tires has been halted by a lack of nylon. At this point, there is no definitive timeline for the next nylon shipment and/or a return to building tires. As a result, the following procedures will be in place for the short term at Fonda Speedway.

- To extend tire life, the current rule of 48 compound right-front, 48 compound left-rear and 50 compound right-rear remains in place for Modifieds, Crate 602 Sportsman and Limited Sportsman. Teams may utilize harder compounds on each corner: D1B on the right-front and left-rear; 56 or D3B on the right-rear.
- There is a limited supply of tires arriving at the speedway late this week (*after practice*). Each Modified, Crate 602 Sportsman and Limited Sportsman team will receive a voucher Saturday upon signing in a car. *Each team will be permitted to buy one (1) tire. **This tire can be purchased at the speedway Saturday only after turning in a voucher.***
- *Only* 48 compound right-fronts, 48 compound left-rears and 50 compound right-rears will be sold at the track. Once the current inventory is depleted, there is no information on timing of the next order.
- Hoosier D300 or harder tires may be utilized as an option until the American Racer inventory rebounds. Teams utilizing Hoosier tires will not be eligible for American Racer bonuses such as the American Racer Cup. If you are utilizing Hoosier tires, only the following options are permitted: *two Hoosier tires across the front, two Hoosier tires across the back, or all four Hoosiers ONLY.*
- Pro Stock tires remain available through Andy's Speed Shop.

As a seasonal business with only 20-25 race days to recoup 365 days' worth of expenses, we must do our best to remain operational during these challenging times so Fonda Speedway will still be around to host racing when the tire shortage ends.

We are aware some teams do not wish to or cannot race under these circumstances. *We understand and support your decision.*

We know many of our teams will continue to do their best to support us weekly. *We cannot thank you enough for your dedication.*

Yours in motorsports,

Fonda Speedway Management
